◆ PROFILE

Graphic Designer with 3+ years of experience across social media design, packaging, and brand visuals, currently leading design at Jmd Sol. Skilled in Adobe Photoshop, Illustrator, and Canva, with hands-on experience using AI tools such as ChatGPT to speed up ideation and production. Proven track record leading design teams and training junior designers at ECOM International, Foster Group, and PixelHub.

◆ WORK EXPERIENCE

Graphic Designer | Jmd Sol

February 2026 — Present • Adobe Photoshop, Adobe Illustrator, AI Tools (ChatGPT)

- Design visual content using Adobe Photoshop and Illustrator for ongoing brand and marketing needs.
- Integrate AI tools such as ChatGPT into the creative workflow to speed up concept development and content generation.
- Collaborate with the team to deliver on-brand, market-ready design assets.

Senior Graphic Designer, Team Lead & Trainer | PixelHub

April 2025 — September 2025 • Adobe Photoshop, Canva

- Led a team of graphic designers, overseeing project quality and turnaround.
- Trained junior designers on Adobe Photoshop and Canva workflows and best practices.
- Directed end-to-end design production from concept to final delivery.

Senior Graphic Designer, Video Editor & Photographer | Foster Group

February 2025 — July 2025 • Adobe Photoshop, Canva, CapCut, Filmora

- Delivered design, video editing, and photography across the Foster Group of companies: Foster Consultant, Foster Electric, Foster Digital, Foster Learning, and Foster Learning School.
- Produced marketing visuals and edited video content using CapCut and Filmora.
- Managed photography for brand and promotional material across multiple business units.

Senior Graphic Designer & Trainer | ECOM International

2024 — 2025 • Adobe Photoshop, Adobe Illustrator, Canva

- Produced graphic design assets for social media and e-commerce campaigns.
- Trained and mentored team members on design software and workflow.
- Worked across Adobe Photoshop, Illustrator, and Canva to meet brand and client requirements.

Graphic Designer (Internship) | PNY Trainings — Arfa Kareem Technology Park

2023

- Completed a graphic design internship, working on personal and training projects using Adobe Photoshop, Illustrator, and Canva.
- Built foundational skills in typography and visual design principles.
